1 | Introduction

- 1.1 The Academy Transformation Trust's (the Trust's") behaviour strategy is aimed at creating a warm strict culture with high expectations of behaviour and establishing calm, safe and supportive learning environments across its academies. We will model, explicitly teach and reinforce high expectations and routines to the young people in our care. Positive language and reinforcement will be used to create a culture where all can thrive. Setting high behavioural standards is key to upholding our Trust's core values and mission statement of transforming lives. Good behaviour and self-discipline lead to effective learning and helps prepare children and young people for life beyond the academy gate.

We promote our five core values and our offer for each child evolves in line with each one, as we recognise that we must be adaptable to meet the individual needs of pupils within our Academy. Some pupils may fluctuate between these stages depending on their individual

needs and circumstances.

- 1.2 This policy outlines the high behavioural standards the Trust expects from all our pupils, the support and interventions used to address poor behaviour and sets out the consequences that will follow if this policy is not adhered to. This policy should be read in conjunction with the Trust's Exclusions and Suspensions policy, Alternative Provision policy, Anti-COCA policy, Drugs policy, SEND policy, Safeguarding policy, and Child Protection policy, all of which can be found on the Trust's website. It will be reviewed annually by the Board of Trustees.

2 | Aims and Objectives

- 2.1 By setting high standards of expected behaviour, the Trust and its academies aim to:
- Uphold the Trust's core values and commitment to transforming lives
 - Promote a warm/strict approach to behaviour
 - Implement a Behaviour Curriculum that explicitly teaches behaviour and codifies the expectations
 - Promote positive relationships that safeguard and promote the welfare of pupils, creating an effective learning environment;

- Maximise the quality of the learning experience for all pupils enabling everyone to learn effectively;
- Enable pupils to understand the implications of their behaviour, to control their own behaviour and most importantly to take responsibility for their behaviour;
- Ensure every member of the Trust community feels valued, respected and treated fairly;
- Provide an ethos and environment within which everyone feels safe;
- Foster discipline and mutual respect between pupils and their peers, and between staff and pupils;
- Raise awareness amongst pupils to ensure that their behaviour does not put their peers or staff at an increased risk in respect of health and safety;
- Raise awareness amongst pupils for the need to recognise and manage their emotions and reactions; and
- Support pupils whose behaviour within the academy environment is challenging or who may find friendship and co-operation difficult.

3 | Application of Policy

- 3.1 This policy applies to all members of the Trust community. The Trust uses management information systems, to track behaviour data for each academy. Each academy within the Trust will apply consequences within this policy for behaviour that takes place outside of academy premises where it is reasonable to do so, for example if allegations of bullying or inappropriate online activity taking place outside of academy hours are reported to the academy.
- 3.2 When deciding whether it would be reasonable to impose a consequence for poor behaviour outside of the academy, staff will consider:
- Whether the pupil is taking part in any academy-organised or academy-related activity, travelling to or from the academy, wearing school uniform or is in some other way identifiable as a pupil at the academy at the time of the poor behaviour; and/or
 - The severity of the misbehaviour, whether the pupil's behaviour could have repercussions for the orderly running of the academy, whether the behaviour poses a threat to another pupil or member of the public or could adversely affect the reputation of the academy and/or Trust.

4 | Roles and Responsibilities

4.1 All members of the Trust community are expected to follow this policy and treat one another with dignity, kindness and respect. Roles, responsibilities and expectations of each section of the Trust community are set out in detail below.

4.2 Board of Trustees

The Trustees will work with the Central Team and the academy's Senior Leadership Team to set the ethos and a set of core values that promote high standards of expected behaviour from pupils attending its academies. Trustees will monitor and evaluate the impact of the policy and will hold the CEO and Principals to account for its implementation. Trustees will ensure that they and local governors receive relevant training on suspensions, exclusions, behaviour and discipline at least every two years.

4.3 The Chief Executive Officer

The CEO will ensure that this Behaviour Policy is applied consistently across the academies within the Trust and will report back to the Trustees on educational outcomes, behaviour management, support strategies and early intervention for pupils requiring additional support. They will ensure that senior staff receive regular continued professional development and receive regular training on behaviour management.

4.4 Local Governing Body

Local governors in each academy will review and monitor the application and implementation of this policy by receiving regular reports from the academy Principal on behavioural consequences and support put in place for pupils at the respective academy. Local governors will scrutinise relevant data, review relevant suspension and exclusion decisions and act as a point of challenge for decisions taken by the Principal. Local governors will analyse the recorded data on searches/removal from classrooms and in cases where searching/removal from classrooms is falling disproportionately on any group or groups, they will consider whether any actions should be taken to prevent this.

4.5 Principal

Each academy Principal, with support from their respective Senior Leadership Team, will ensure that staff are supported and up to date with policy changes. They will ensure that lessons are well led, effectively managed and that staff regularly and effectively self-evaluate their behaviour management strategies. The Principal will monitor how staff implement this policy to ensure rewards and consequences are applied fairly and consistently, searches are carried out lawfully and the use of removal from the classroom is used appropriately and not having a disproportionate effect on pupils sharing particular protected characteristics. The Principal will act as a source of support and guidance for staff on behaviour management strategies and discipline.

4.6 Staff

All staff will:

- Communicate the contents of this policy to all pupils and parents to ensure that the Trust's expectations are transparent to all pupils and parents, and that expectations of, and responses to, behaviour are consistent, fair, proportionate, and predictable. Staff will do this through the academy Behaviour Curriculum, assemblies, tutor time and Morning meetings,

Reconnection programmes, PSHE lessons, pastoral programmes, induction to the school including at non-standard entry points or reintegration

- Apply this policy fairly, consistently, proportionately, and without discrimination, taking into account SEND as well as the additional challenges that some vulnerable pupils may face;
- Make reasonable adjustments for disabled pupils as required
- Promote a teaching and learning ethos which encourages all pupils to attend and participate in lessons whatever their level of ability or need;
- Model positive behaviour and mutual respect
- Not tolerate disruption to teaching, learning or school routines and take proportionate action to restore acceptable standards of behaviour
- Challenge pupils to meet the school expectations and maintain the boundaries of acceptable conduct through positive framing and de-escalation techniques
- Record incidents of poor behaviour and any given consequences in the pupil's behavioural log
- Provide simple affirmative, precise and positive praise, rewards and reinforce positive behaviour
- Deal with incidents of bullying, discrimination, aggression and derogatory language quickly and effectively
- Focus on de-escalation and preventative strategies rather than being solely reactive
- Consider the welfare of the whole Trust community and ensure that the majority of pupils' education is not jeopardised by the disruptive behaviour of a minority of pupils
- Contribute to the development of systems which support and reinforce positive behaviour, such as The ATT way)
- Recognise that there may be contributory factors which affect pupil's behaviour and respond according to individual need whilst still maintaining high expectations for all
- Identify pupils who are experiencing difficulties in developing or sustaining appropriate behaviour and put in place general and targeted interventions to improve pupil behaviour and provide support. This could include:
 - More frequent engagement with parents
 - Home visits
 - Mentoring and coaching
 - Report cards
 - Time in a pupil support unit
 - Engaging with local partners and agencies to address specific challenges
 - Consideration of whether a multi-agency assessment referral is required e.g. Early Help or an Education Health and Care Plan

- Designing and implementing an Individual Behaviour Plan with set targets and support strategies embedded within.
- Contact parents if there is a problem with attendance, punctuality or equipment and about any concerns or problems that affect their child's work or behaviour
- Set, mark and monitor homework and provide facilities for children to do homework in the academy if required
- Send parents an annual written report on their child's progress and arrange Parents' Evenings during which progress will be discussed
- Engage with and attend regular training and development sessions to continually improve behaviour management and learn from best practice.

4.7 Parents

Parents play an important role in ensuring good behaviour from their children. Parents are expected to:

- Support the academy in the application and enforcement of this policy;
- Sign and reinforce the Acceptable Use Policy and Home-Academy Agreement
- Inform the academy of any challenging behaviour exhibited at home, special education needs or changes in circumstances that may account for changes in their child's behaviour;
- Ensure their child attends the academy on time, appropriately dressed, fed, rested, and equipped;
- Work with the academy in support of their child's learning;
- Attend virtual or in person meetings at the academy with staff to discuss their child's behaviour and adhere to any parenting contracts put in place;
- Inform the academy in writing of any medication their child needs to take (see the "Supporting children with medical needs" policy);
- Support their child in homework and other opportunities for home learning;
- Attend Parents' Evenings and discussions about their child's progress, if reasonably possible
- In the case of suspension, provide appropriate supervision for their child during the first 5 days of suspension, ensure that their child is not present in a public place during academy hours without reasonable justification and, if invited, attend a reintegration interview at the academy with their child.

4.8 Pupils

The rights and responsibilities of pupils are set out at the Appendix to this policy along with a list of the academy rules to which all pupils must adhere. Reminders of the academy rules and expected standards of behaviour are communicated around the academy. Pupils are expected

to have a positive attitude and maintain high expectations for themselves and others. Pupils are expected to sign and adhere to the Acceptable Use Policy (from KS2) and Home Academy Agreement.

5 | Rewards

- 5.1 The academies believe that it is important to encourage good conduct throughout the academy by celebrating and rewarding good behaviour and reflecting the ethos of the academy. There will be opportunities in place for character development, as well as the issuing of rewards for exceeding expectations, overcoming challenges and adversity, attendance and making significant progress. Academies will recognise and celebrate individual success and significant personal achievements.

6 | Consequences

- 6.1 Academy staff will respond to inappropriate behaviour predicably, promptly and assertively in accordance with the academy behaviour policy. Staff will respond in a consistent, fair and proportionate manner and will use a range of de-escalation techniques, from their training, to restore a calm safe environment, in which pupils can learn and thrive. Some of our academies may use pre-agreed scripts or phrases to help restore calm
- 6.2 Consequences are given when a pupil's behaviour is unacceptable/inappropriate, in order to help them to develop a sense of right and wrong. Consequences are issued sparingly, only where appropriate and taking into consideration the needs of the pupil.
- 6.3 Phoenix Academy operate on four key behaviour principles, outlined below:

- 6.4 For a consequence to be lawful, we ensure that the decision to issue them to a pupil is:
- made by a paid member of staff, or a member of staff authorised to do so by the principal
 - made on the academy premises or whilst the pupil is under the charge of a member of staff
 - reasonable, will not breach any other legislation, and will not discriminate on any grounds, such as disability, race, special educational needs and disabilities – as per *the Equality Act (2010)*, in respect to safeguarding pupils with special educational needs and disabilities, and any other equality rights.
 - We recognise our legal duty to prevent pupils with a protected characteristic from being disadvantaged. Our special educational needs coordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have underlying needs which are currently not being met. Where necessary, support and advice will be sought from specialist teachers, an educational psychologist, medical practitioners and/or others to identify and support special educational needs. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for the pupil. We will work with parents and carers throughout the process and co-create the plan and review it on a regular basis.
- 6.5 The issuing of consequences is recorded, and the consistent use of these are monitored by senior staff.
- 6.6 Consequences
- relate to a specific task or action and will be applied clearly
 - are issued consistently and equitably, ensuring that the recipient is clear about why they have been given a consequence
 - reinforce **our** core values and ethos
 - do not focus repeatedly on the same issue without progress
 - do not have a negative effect upon others.

- 6.7 The aim of issuing consequences is to address the behaviour and support positive change. Work follows to enhance progress, prevent recurring issues and ensure pupils understand what behaviour was inappropriate and why and what appropriate behaviour looks like in that scenario and why.
- 6.8 We **always** consider whether the behaviour under review gives cause to suspect that a pupil is suffering from, or is likely to suffer, significant harm. Where this may be the case, staff follow our safeguarding policy.
- 6.9 We take a graduated response to pupils whose behaviour may be the result of educational, mental health or other needs or vulnerabilities. This response is individualised to meet the needs of the pupil and includes:
- an assessment to establish a clear analysis of the pupil’s needs, which may include referrals to other agencies or specialists
 - a plan setting out how the pupil will be supported, which will include consultation with parents/carers
 - the required action to provide the support
 - regular reviews to assess the effectiveness of the provision and identify any necessary changes.
- 6.10 We consider a pupil’s special educational needs when dealing with their behaviours.
- 6.11 Where points 9.5, 9.6 or 9.7 apply the need for multi-agency assessments will be considered where necessary.
- 6.12 There is an expectation that, following an incident we believe that a restorative approach is more beneficial in the long-term as those who have been harmed and those responsible for the harm can all play a part in repairing the damage and, through communication, they can find a positive way forward. As the diagram below shows, ‘doing to’, ‘doing nothing’ and ‘doing for’, the child has little benefit, whereas, ‘doing **with**’ provides far better outcomes. The approach also encompasses the needs of pupils with difficulties including but not exclusive to those with special educational needs, attachment disorder and emotional health concerns.

6.13 Removal from the classroom for more than a short period will occur in response to serious misbehaviour, only when necessary and for as long as is necessary, and once other behavioural strategies in the classroom have been attempted, unless the behaviour is so extreme as to warrant immediate removal. Reasons for removal are to:

- Maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption;
- Enable disruptive pupils to be taken to a place where education can be continued in a managed environment; and
- Allow the pupil to emotionally regulate in a safe space.

6.14 Detentions can be issued by any member of teaching or support staff. Staff will only issue detentions outside of academy hours when it is reasonable after having considered whether:

- The detention may put the pupil at increased risk or compromise their safety
- The pupil has known caring responsibilities or religious requirements
- The detention timing conflicts with a medical appointment
- Parents ought to be informed of the detention
- Whether suitable travel arrangements can reasonably be made by the parent for the pupil, disregarding any inconvenience for the parent.

Off-site direction, managed moves and Alternative Provision may be considered as part of a planned intervention to support a pupil.

- Off-site direction is used as a short-term measure to improve a pupils' behaviour where in-school intervention and/or outreach have been unsuccessful or are deemed inappropriate
- A managed move takes place in agreement between the school, parents and new school. It initiates the process which leads to the transfer of a pupil to another mainstream school permanently. The academy will follow the local authority's procedures.

6.15 Permanent exclusion will only be used as a consequence of last resort, in response to a serious breach, or persistent breaches, of this behaviour policy and where allowing the pupil to remain in the academy would seriously harm the education or welfare of the pupil or others in the academy. The academy will follow the Trust's Exclusions Policy and the DfE statutory guidance on suspensions and exclusions when taking a decision to suspend or exclude.

7 | Pupils with SEND

- 7.1 Phoenix Academy supports children who have wide range of complex social, emotional and mental health needs. Many of our children have a diagnosis on the autistic spectrum and additional learning difficulties.
- 7.2 SEMH We believe that the 'Phoenix' signifies a new start and whilst many of our children have not had the easiest journeys in education when they join us, we think creatively about our approach to learning and how best to meet the needs of all. Phoenix is a place of new beginnings and pupils are surrounded by positive rational experiences, allowing them to access education and learn life-long skills that they will need to success in their future.
- 7.3 We know our children well and are therefore able to put in place a personalised approach that ensures the right pathway and support for them.
- 7.4 In the context of this policy, a child is considered to have Special Educational Needs or Disabilities (SEND) if they:
- Have difficulties in learning which are significantly greater than the majority of other pupils of the same age; or
 - Have a disability which prevents or limits them from accessing the curriculum; or
 - Have behavioural, emotional or social difficulties which impact adversely on their learning and progress.
- 7.5 The Trust is aware that continuous disruptive behaviour can be a result of unmet needs. If such needs are identified, the respective academy will do all it can to ensure that the pupil receives appropriate support. The Trust is conscious of its legal duties under the Equality Act 2010 in respect of pupils with disabilities and will make reasonable adjustments to this policy to avoid any substantial disadvantage that a pupil may face as a consequence of their disability compared to their non-disabled peers. A reasonable adjustment that may be made would be to impose a more lenient consequence for a pupil whose behaviour is in consequence of their disability than would be imposed for a pupil exhibiting the same behaviour who does not have that disability. The Trust will not assume that because a pupil has SEND, it must have affected their behaviour on a particular occasion – this is a question of judgement for the respective academy on the facts of the situation.
- 7.6 An Individual Behaviour Plan will be used for children with SEND whose condition causes them to display challenging behaviour and advice will be sought from external agencies where necessary to assist with putting in place appropriate support strategies, which will be monitored and reviewed. Please read the Trust's SEND policy and SEND Information Report for more information.
- 7.7 The respective academy will as far as possible, anticipate likely triggers of misbehaviour for pupils identified as having SEND and will put in place support to prevent these. Examples of preventative measures include (but are not limited to):

- Short, planned movement breaks for a pupil whose SEND means that they find it difficult to sit still for long
- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism.

7.8 Staff training will include matters such as how certain special educational needs, disabilities, or mental health needs may at times affect a pupil's behaviour. Where relevant, engagement with experts, such as Educational Psychologists and other support staff such as counsellors and Mental Health Support Teams, can help to inform effective implementation of this policy.

8 | Investigating Incidents

8.4 Initial investigations of minor infractions of the policy may be carried out by a member of staff/teacher on their own. Further investigations or initial investigations of more serious offences may be carried out by two staff together. In secondary academies pupils who have witnessed the behaviour will be asked to provide written, signed and dated statements. In primary academies pupils who have witnessed the behaviour may be asked provide a written account or may be asked to describe to staff what they saw and the member of staff will make a note of the response. Any questions raised by staff will be open and non-leading. If the police wish to question the pupil, the academy will ensure that an appropriate adult is present at all times and will inform the pupil's parents of what is happening ahead of time, if possible.

8.5 The Trust uses Close Circuit Television ("CCTV") within its premises. One reason why the Trust uses CCTV is to provide a safe and secure environment for pupils, staff and visitors. If behavioural incidents are recorded on CCTV the footage may be viewed as part of the investigation and the content considered before imposing a consequence. Please see the Trust's CCTV policy and privacy notices for more information.

8.6 When more than one pupil is involved in an incident and the interpretations of an event differ, then every effort will be made to try to find the truth. If this still remains unclear, then the staff members involved will use their professional judgement to come to a conclusion on the balance of probabilities.

8.7 In exceptional circumstances, pupils may receive a suspension pending an investigation if there is a possibility that the welfare of other pupils may be compromised by that pupil remaining in the academy.

9 | Search, Seizure and Confiscation

- 9.4 If an investigation or an allegation leads to reasonable suspicion and the search of a pupil's clothes, bags and lockers is deemed appropriate, a search may be carried out by nominated academy staff or staff authorised by them. Staff will follow the latest DfE guidance on searching, screening and confiscation when conducting a search. Staff will take into consideration the age and needs of pupils being searched or screened. This includes the individual needs or learning difficulties of pupils with Special Educational Needs (SEN) and making reasonable adjustments that may be required where a pupil has a disability.
- 9.5 Each academy Principal will oversee the practice of searching to ensure that a culture of safe, proportionate and appropriate searching is maintained, which safeguards the welfare of all pupils and staff with support from the designated safeguarding lead (or deputy). Each academy Principal will ensure that a sufficient number of staff are appropriately trained in how to lawfully and safely search a pupil who is not co-operating, so that these trained staff can support and advise other members of staff if this situation arises.
- 9.6 Staff may confiscate or seize items in the possession of pupils that pose a risk to staff or pupils, are illegal or banned by the academy rules or is evidence in relation to an offence and may confiscate, retain or dispose of a pupil's property as a disciplinary action so long as it is reasonable in the circumstances. Confiscation of a pupil's property will be proportionate and aimed at maintaining an environment conducive to learning and one which safeguards the rights of other pupils to be educated. Where appropriate a member of staff may retain or dispose of a pupil's property as consequence and are protected from liability for damage to, or loss of, any confiscated items. Guidance on what to do with particular confiscated items can be found in the latest DfE guidance on searching, screening and confiscation.
- 9.7 A teacher or someone who has lawful control of the child can search a pupil with their consent to look for any item banned by the academy rules. Pupils must be first asked to empty pockets and bags themselves. Before any search takes place, the member of staff conducting the search should explain to the pupil why they are being searched, how and where the search is going to take place and give them the opportunity to ask any questions. If the pupil refuses to give permission the academy may impose a consequence for failing to follow a reasonable instruction.
- 9.8 Each academy Principal and other members of staff authorised by them have the power to search a pupil without the pupil's consent if they suspect they are in possession of 'prohibited items'. The designated safeguarding lead (or deputy) should be informed of any searching incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item or if they believe that a search has revealed a safeguarding risk without delay. Prohibited items that can be searched for without consent include:
- Knives or weapons
 - Alcohol

- Illegal drugs
- Stolen items
- Vapes, e-cigarettes, tobacco and cigarette papers
- Fireworks
- Pornographic images
- Articles that the member of staff reasonably suspects have been or could be used to commit an offence or cause personal injury to, or damage to property of, any person (including the pupil).

A member of staff can use reasonable force to search for any prohibited items but not to search for items which are identified only in the respective academy rules. Before using reasonable force the member of staff should consider whether conducting the search will prevent the pupil harming themselves or others, damaging property or from causing disorder.

9.9 Any search without consent must be conducted by a member of staff of the same sex as the pupil in the presence of another member of staff. A member of staff can only carry out a search of a pupil of the opposite sex and/or without a witness present, where the member of staff reasonably believes that there is a risk that serious harm will be caused to a person if they do not conduct the search immediately and where it is not reasonably practicable to summon another member of staff.

9.10 When conducting a search pupils must not be required to remove any clothing other than outer clothing. 'Outer clothing' is any item of clothing that is not worn wholly next to the skin or immediately over a garment that is being worn as underwear, as well as hats, shoes, boots or scarves.

9.11 Strip searches (a search involving the removal of more than outer clothing) on academy premises can only be carried out by police officers under the Police and Criminal Evidence Act 1984 (PACE) Codes A and B. While the decision to undertake the strip search itself and its conduct are police matters, academy staff retain a duty of care to the pupil(s) involved and will advocate for pupil wellbeing at all times. Before calling police into the academy, staff will assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item. Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary by consulting with the designated safeguarding lead and academy Principal, and should always ensure that other appropriate, less invasive approaches have been exhausted. Unless there is an immediate risk of harm and where reasonably possible, staff will inform a parent of the pupil suspected of concealing an item in advance of the search, even if the parent is not acting as the appropriate adult.

9.12 Staff should keep a record of any searches conducted on pupils on CPOMs and inform parents that a search has been carried out as soon as reasonably practicable. Records should include:

- The date, time and location of the search

- Which pupil was searched
- Who conducted the search and any other adults or pupils present
- What was being searched for
- The reason for searching
- What items, if any, were found
- What follow-up action was taken as a consequence of the search.

9.13 Staff may seize an electronic device to examine any data or files on the device if they think there is good reason to do so. These data or files may be erased before returning the item if they believe there is good reason to do this. If the member of staff conducting the search suspects they may find an indecent image of a child, the member of staff should never intentionally view the image, and must never copy, print, share, store or save such images. When an incident might involve an indecent image of a child and/or video, the member of staff should confiscate the device, avoid looking at the device and refer the incident to the designated safeguarding lead. Staff will have regard to the UK Council for Internet Safety advice for managing incidences of sharing nudes and semi-nudes when managing these issues.

9.14 Some academies may require pupils to undergo screening by a walk-through or hand-held metal detector (arch or wand) regardless of whether they suspect the pupil of having a weapon and without the pupil's consent. If the pupil does not agree to undergo the screening the academy has the right to stop them from entering the premises and will treat the pupil's absence as unauthorised.

10 | Use of Reasonable Force

10.4 The Trust strives to provide a safe learning environment for all pupils. All members of staff (and anyone whom the Principal has given the responsibility to be in charge or in control of the pupils) are lawfully permitted to use reasonable force to prevent pupils committing an offence, injuring themselves or others, damaging property, and to maintain good order and discipline in the classroom.

10.5 This power extends to times when staff are lawfully in charge of pupils but are off the academy premises i.e. on a school trip. There is no definition of when it is reasonable to use force and every situation will have to be judged by the person in charge at that time. The degree of force used should be the minimum needed to achieve the desired result.

10.6 Sometimes, pupils may get anxious or agitated and strategies used to help pupils calm down such as using communication skills, distraction techniques and removing triggers may not yield

results. On rare occasions staff may have to use physical interventions to ensure the pupil's own safety, the safety of other pupils and staff, or to ensure that property is not seriously damaged.

- 10.7 All incidents where pupils need to be held to help them to calm down will be recorded, any Individual Behaviour Plan reviewed and parents will be informed as a matter of course. For further information see the Reasonable Force Policy.

11 | Bullying

- 11.4 The Trust will take all reasonable measures to ensure the safety and wellbeing of all pupils and staff and this includes protection from bullying. The Trust has a separate Anti-Child on Child Abuse Policy which should be read in conjunction with this policy. Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power. This can include emotional, physical, racial, sexual, verbal (direct or indirect) and cyber-bullying.

- 11.5 The Trust wants to make sure that all pupils feel safe in the academies and are accepted into the Trust community. The Trust's ethos is one of inclusion and equality; bullying of any kind is regarded as a serious breach of this behaviour policy and will not be tolerated.

- 11.6 Bullying can be verbal or physical, by person or by electronic, on-line or written means and can be directed at both staff and pupils. The Trust practices a preventative strategy to reduce the chances of bullying, and the Trust's anti-bullying strategy is instilled in the Trust's curriculum, through the active development of pupils' social, emotional and behavioural skills, assemblies and is embedded in daily academy life. It is made very clear to pupils what is expected of them in terms of respecting their peers, members of the public, and staff, and any intentional breach of this will result in disciplinary action.

- 11.7 If an allegation of bullying does arise, the respective academy will:

- Take it seriously
- Investigate as quickly as possible to establish the facts
- Record and report the incident; depending on how serious the case is, it may be reported to the Principal
- Provide support and reassurance to the victim
- Make it clear to the 'bully' that this behaviour will not be tolerated. If there is a group of people involved, they will be spoken to individually and as a whole group. It is important that children who have harmed another, either physically or emotionally, redress their actions, and staff will make sure that they understand what they have done and the impact of their actions

- Discuss the matter with both parties, bring them together and, where appropriate, educate the perpetrator on seeing the other person's point of view; sometimes the no blame approach is used, sometimes negotiation and sometimes consequences
- Ensure that if a consequence is used, it will correlate to the seriousness of the incident and the 'bully' will be told why it is being used
- Consider whether suspension or exclusion is appropriate in light of the circumstances.

11.8 The Trust believes pupils should be able to enjoy using social media in a safe environment but recognises that there are inherent threats in using social media which could harm the welfare of pupils and staff at its academies. Where a member of staff has reasonable grounds to suspect that a pupil is using social media in an inappropriate way, which could cause harm to another person in the Trust community, the member of staff should report this to a member of the academy's Senior Leadership Team. Following any such report an investigation will follow during which an authorised member of staff may ask that the pupil gives them access to their social media account. In the event that the pupil refuses to cooperate and will not give access to an authorised member of staff during an investigation this could lead to an adverse decision taken against the pupil.

12 | Child-on-Child Abuse

12.4 Sexual violence and sexual harassment are never acceptable and will not be tolerated. The Trust will act swiftly in response to instances of alleged child-on-child abuse and will follow its safeguarding policy, Keeping Children Safe statutory guidance and the DfE guidance on sexual violence and harassment between children. Risk assessments will be carried out and measures put in place while investigations into any reports continue. Support will be provided to the reported victim and abuser. The outcome of the investigation may lead to consequences being imposed in accordance with the terms of this policy. See our Anti Child on Child Abuse Policy for more information.

13 | Complaints

13.4 If parents have any concerns or complaints over the application or implementation of this policy they should raise their concerns with a staff member or the Principal in accordance with the Trust's complaints policy.
