

Dinner Money Policy

Bennerley Fields School

Background

The Bennerley Fields School Debt Policy has been adopted to ensure that a consistent and fair approach to debt incurred by parents/carers whose children take school dinners. The administration of dinner money debt falls on the school which has responsibility to pursue instances of non-payment. As a result the school budget will have to directly fund any outstanding debts that cannot be recovered thereby directly affecting the amount of money that is available to provide education to all pupils.

Provision of School Meals

The Schools Meals Service is no different to any other business in that meals have to be paid for by someone. Free School Meals are available for parents who meet certain criteria including the receipt of state benefits. Anyone who may qualify for Free School Meals should contact the school office for further information. Free School Meals are a statutory right and it is important that all parents/carers who qualify take up their child's entitlement so that they can receive a School meal each day.

Information on the entitlement to free school meals and an application form can be found on the Derbyshire County Council's website:

If a child's entitlement to free school meals expires or the parents/ carers personal circumstances change the parent/carer must provide a packed lunch or send payment in advance for a school dinner.

Safeguarding

If this matter is considered a safeguarding issue it will be referred to the school's Designated Safeguarding Lead (DSL).

Cost of School Meals

School meals are available to children at a cost of £2.20 per day (Primary meal) or £2.50 (Secondary meal) or at no cost to those in receipt of Free School Meals entitlement. School meals should be paid for in advance. Any revision to the school meal prices will be notified to parents/carers the term prior to the new charge taking effect.

Payment for School Meals

Please send payment in advance via Parentpay. Money can be added to parent pay via your bank account or payment card.

Management of School Meal Debts

To ensure that the School's budget is not adversely affected by the cost of School meal debt the Governors consider the fairest system to all families is to pursue a 'Low Tolerance' approach. Although, this may seem harsh to some parents it is important that the school budget is spent for the benefit of all our pupils and not a small number.

If a child takes a school meal which has not been paid for, a letter/text detailing how much is owed will be sent to the parent/carer requesting payment directly to the school within 7 days. Prompt action will be taken to address any debt issue at an early stage in order to prevent arrears amassing.

Where a child continues to require meals, the School must establish if the child is entitled to free school meals, or if the parent/carer is experiencing hardship which affects their ability to pay. Under these circumstances the parent/carer should be invited to apply for free school meals or speak confidentially to the Head Teacher.

When the debt exceeds £20 for a *child or family* a letter will be sent to the parent/carer informing them to provide their child/children with a packed lunch to prevent further arrears.

If the debt exceeds £40 for a family and/or action proves unsuccessful in securing dinner money arrears, the School should formally write to the parent/carer, explaining that the School is not obliged to provide a school dinner where advance payment is not forthcoming or where authorisation for free school dinners has not been received.

Monitoring and Recovery of School Meal Debts

At each meeting of the Governing Body the Head Teacher will provide Governors with details of any outstanding dinner money debt above £30 and the current position with regard to such debt. The aim of the School's dinner money policy is to minimise the opportunity for debt balances to build up and incurring costly referral to the School's solicitors. The School does however, reserve the right to begin legal proceedings to recover outstanding school meal debts and inform the local authority that a child is not being provided with a suitable meal at lunch time.

All write-offs of outstanding debt must be approved by the Governing Body following submission of details of the debt by the Head Teacher together with reasons for no further action being taken.

According to the School's financial records you have not paid dinner money for your child (pupil name) in Class: xx. As at xx/xx/xx your account is showing a debt of £xx.

In order that the school's budget is not used to clear your child's debt please make arrangements for the outstanding dinner money debt to be paid immediately. Once you have cleared the current debt I should be grateful if you could ensure that you keep your account in credit. The current cost of a school meal is £x per day or £x per week.

If you think you may qualify for Free School Meals, please contact the school office for further information. **Remember that Free School Meals are a statutory right and it is important that you use it if you qualify, your child will then receive a School meal each day.** Additional information and an application form can be found on the Derbyshire County Council's website or in the school office if you do not have access to the Internet:

Since the School has to fund all school meal debts from its budget it is essential that all payments are up to date so that the quality of the service provided to all pupils is maintained. Unfortunately, if the debt is not cleared by xxxxx a school meal will no longer be provided to your child and you must make your own arrangements for your child's lunch. The School reserves the right to begin legal proceedings to recover the outstanding debt and to inform the local authority that your child is not being provided with a suitable meal at lunch time.

Please do not hesitate to speak to the family support worker or the school office if you need any support.

Yours sincerely

Head Teacher
