SANDFORD ST. MARTIN'S CE (VA) PRIMARY SCHOOL

Our mission statement: Learn Love Laugh

Safeguarding: If there are any 'Safeguarding' issues that arise from the implementation of this policy then they should be dealt with in accordance with the School's Safeguarding policy. Any safeguarding concerns should be referred directly to the School by telephone or in person for the attention of the Designated Safeguarding Lead along with any concerns relating to the Prevent Strategy.

Equality: This policy should be read in conjunction with the School's Equality Policy. The general equality duty requires that, in the exercise of their functions, schools must have due regard to the need to eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Equality Act 2010. This school endeavours to advance equality of opportunity and foster good relations for all.

Introduction

Personal data of employees and candidates will be processed lawfully, fairly and in a transparent manner, collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes. The data retained will be accurate and, where necessary, kept up to date, in a form which permits identification of data subjects for no longer than is necessary and processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures.

(WHERE RELEVANT, Sandford St Martin's CE VA Primary School TAKES INTO ACCOUNT ANY GUIDANCE ISSUED BY THE LOCAL AUTHORITY).

June 2023 Updated Guidance

In June 2023, the government issued the guidance *Cyber crime and cyber security: a guide for education providers*. The guide aims to help raise education provider's awareness of cyber crime and cyber security. It covers:

- Common attacks;
- Cyber crime: what education providers can do;
- Cyber security: checklist for providers; and
- Ten cyber security tests for the wider business.

What is Personal Data and Sensitive Personal Data

The ICO defines Personal Data as:

- Personal data is information that relates to an identified or identifiable individual.

- What identifies an individual could be as simple as a name or a number or could include other identifiers such as an IP address or a cookie identifier, or other factors.
- If it is possible to identify an individual directly from the information you are processing, then that information may be personal data.
- If you cannot directly identify an individual from that information, then you need to consider whether the individual is still identifiable. You should take into account the information you are processing together with all the means reasonably likely to be used by either you or any other person to identify that individual.

The ICO defines Sensitive Personal Data (also known as ‘Special Category Data’) as:

- Special category data is personal data that needs more protection because it is sensitive;
- In order to lawfully process special category data, you must identify both a lawful basis under Article 6 of the UK GDPR and a separate condition for processing under Article 9. These do not have to be linked;
- There are 10 conditions for processing special category data in Article 9 of the UK GDPR (see ‘Lawful Processing’ below);
- You must determine your condition for processing special category data before you begin this processing under the UK GDPR, and you should document it.

Lawful Processing

Article 9 of the Data Protection Act 2018 prohibits the processing of Sensitive Personal Data (also known as ‘Special Category Data’). There are 10 exceptions to this general prohibition, usually referred to as ‘conditions for processing special category data’:

- (a) Explicit consent
- (b) Employment, social security and social protection (if authorised by law)
- (c) Vital interests
- (d) Not-for-profit bodies
- (e) Made public by the data subject
- (f) Legal claims or judicial acts
- (g) Reasons of substantial public interest (with a basis in law)
- (h) Health or social care (with a basis in law)
- (i) Public health (with a basis in law)
- (j) Archiving, research and statistics (with a basis in law)

Five of the conditions only apply if processing has an authorisation or basis in UK law as set out in the Data Protection Act 2018.

In order to meet its obligations **Sandford St Martin’s CE VA Primary School** will keep a record of all types of data, the purposes for which it is kept and the conditions

under which it is being lawfully processed. This will be done using the template in Appendix 6: Legitimate Interest Template, which must be reviewed each term (three times per year) for veracity and any necessary changes made by the **School Business Manager (SBM)**.

Sandford St Martin's CE VA Primary School will respond to any Subject Access Request without undue delay and provide information within one month free of charge.

Where requests from a data subject are manifestly unfounded or excessive, in particular because of their repetitive character, **Sandford St Martin's CE VA Primary School** reserves the right to either: (a) charge a reasonable fee taking into account the administrative costs of providing the information or communication or taking the action requested; or (b) refuse to act on the request. **Sandford St Martin's CE VA Primary School** shall bear the burden of demonstrating the manifestly unfounded or excessive character of the request. Where **Sandford St Martin's CE VA Primary School** has reasonable doubts concerning the identity of the natural person making the request, the controller may request the provision of additional information necessary to confirm the identity of the data subject.

Safe and Secure Storage of Files and Data

The **DATA PROTECTION OFFICER** will take necessary precautions to ensure that both electronic and manual files are secure. This shall include password protection and encryption as standard on all devices which hold or have access to personal or sensitive personal data as defined under the Data protection Act 2018.

This includes information held on personal computers and portable computing devices, including mobile phones and memory sticks. This list is not exclusive.

Manual files will be stored in a safe and secure lockable cabinet at all times. **Sandford St Martin's CE VA Primary School** will adopt the National Cyber Security Centre's guidance *10 Steps to Cyber Security* in the safe and secure storage of electronic files and data. **Sandford St Martin's CE VA Primary School** will therefore:

The **DATA PROTECTION OFFICER** of **Sandford St Martin's CE VA Primary School** will ensure that all staff are aware of the dangers of taking data off the school's immediate environment and are aware of the procedures in place to minimise the risk.

All devices storing data such as laptops and any work phones must be password protected and data encrypted. This is sensitive personal data, and the information will be kept to a minimum, and as far as possible, in an anonymous form. Sandford St Martin's CE VA Primary School has the same arrangements in place for performance records of all staff.

Monitoring the Use of Electronic Communications

The **GOVERNING BODY** will keep all monitoring at work within the provisions of the *General Data Protection Regulation 2016* and the *Data Protection Act 2018*.

This will only be done where there is a good reason to do so and appropriate records will be kept, which can be accessed by staff (and pupils) on request to the **DATA PROTECTION OFFICER**.

All monitoring will be conducted in accordance with the powers of an employer under the *Telecommunications (Lawful Business Practice) (Interception of Communications) Regulations 2000*, which permits an employer to vet communications without the consent of the caller, writer or recipient where the intention is:

- To establish the existence of facts applicable to the business;

All staff are advised that such monitoring might take place at **Sandford St Martin's CE VA Primary School** for these purposes including for the misuse of **SCHOOL** equipment or its use for inappropriate purposes.

The employer will establish with the **DATA PROTECTION OFFICER**, after consultation with the staff, a policy on how telephones/fax and computers may be used for any private communications. Breach of this code once established will be a discipline offence.

Data of this nature will be managed with a constant awareness of data protection in a confidential and secure manner. Concerns regarding how data is managed should be reported to the **DATA PROTECTION OFFICER**.

Any data on an employee's state of physical or mental health is sensitive personal data and will only be kept when the employee has been told what information is involved and the use that will be made of it, in addition to security arrangements. The information will only be retained for a set period and in accordance with employee consent and data rights. Only necessary and limited individuals at **Sandford St Martin's CE VA Primary School** will be able to access this information where they genuinely need it to carry out their job.

Sickness and Ill-health Records

As far as possible, **Sandford St Martin's CE VA Primary School** will only retain information that is necessary to establish an employee's fitness for work, securely and for a set period. The employer has delegated to the **DATA PROTECTION OFFICER** the responsibility for determining what is necessary.

Sandford St Martin's CE VA Primary School recognises the difference between a 'sickness or injury record' and an 'absence record'.

Sickness or injury records contain sensitive personal information. They will only be kept for specific purposes with the written auditable consent of the employee, e.g. in the case of capability or absence through ill-health proceedings. However, this does not prevent **Sandford St Martin's CE VA Primary School** from recording that sickness notes have been received and the dates of the absence.

Absence records may only give the reason for ill-health absence as 'sick' or 'accident' or 'injury', without referring to the specific condition. No information about any of the above records will be made available to other employees unless cleared by the **DATA PROTECTION OFFICER** as necessary.

Occupational Health Schemes

Sandford St Martin's CE VA Primary School will operate within the rules of any scheme to which it belongs. All staff will be informed about how health information will be used under the scheme and who will have access to it. A processing agreement with the scheme will be secured to this end.

Details are contained in the Staff Handbook.

Medical Examinations

Recruitment

Job applicants must only be medically examined to:

- Ensure they are medically fit for the specific role;
- Meet legal requirements; and
- Determine the terms on which they are eligible to join a pension or insurance scheme.

Sandford St Martin's CE VA Primary School will make it clear during the recruitment process if tests are required for the role.

Current Employees

Medical information will only be obtained through examination or testing if:

- The tests are part of a voluntary occupational health and safety programme;
- Necessary to prevent a significant health risk;
- Needed to determine an employee's continuing fitness for the role;
- Needed to determine whether an employee is fit to return to work after a period of absence;
- Needed to determine an employee's entitlement to health-related benefits; or

The **GOVERNING BODY** will monitor the implementation of the policy and check annually that **Sandford St Martin's CE VA Primary School** has registered with the Information Commissioner's Office.

The **HEADTEACHER** and **DATA PROTECTION OFFICER** will monitor the effectiveness of the policy and will report to the **GOVERNING BODY** at least annually.

The **GOVERNING BODY** will review this policy at least every two years and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school.
